13.0 RATES, FEES AND CHARGES (continued)

13.2 RATE SCHEDULE NO. 2 – RECURRING SERVICE CHARGES

The rates and charges shown on Schedule A through F and G are the monthly service charges for water service only. Assessments, contributions in aid of construction or charges for specific services beyond the scope of normal water services (e.g., special construction of a long service line; repair of damage which was the responsibility of the customer) are in addition to the monthly service charges.

Schedule A – Unmetered Residential Accounts

This schedule applies to unmetered residential accounts. Residential account includes single-family, ADU, and duplex. Multi-Family account includes triplex, mobile home parks, and multi-family buildings. The monthly service charges the Utility bills each account are comprised of (i) a Usage Charge for each dwelling unit, (ii) a Customer Charge per account, and (iii) a Fire Protection Charge per account.

<u>Billing Code</u>	<u>Service Description</u>	<u>Monthly Service Charges</u>
	Usage Charge: (per dwelling unit)	
W20	Residential	\$ 49.57 (I)
W23	Multi-Family	\$ 19.79 (I,N)
W19	Customer Charge (per account)	\$ 10.53 (I)
	Fire Protection Charge: (per account)	
F21	Residential	\$ 1.52 (I,N)
F22	Multi-Family	\$ 6.18 (I,N)

Schedule B – Metered Commercial and Multiple-Dwelling-Unit Residential Accounts

This schedule applies to metered commercial and residential accounts including parcels containing ADU and duplex, as Metered Residential, and triplex (as provided in Rule 14.2 of the tariff), mobile home parks, and multiple-family buildings, as Metered Multi-Family. The monthly service charges the Utility bills each account are comprised of (i) a Volume Charge for each 1,000 gallons of water consumed, (ii) a Customer Charge, (iii) a Meter Charge for each meter used and that varies according to the size of the meter(s) used, and (iv) a Fire Protection Charge, except the Fire Protection Charge does not apply to customers receiving service under Rule 15.6, Bulk Sales of Water for Bottling and Resale. Metering requirements are contained in Rule 14.0 of this tariff.

<u>Billing Code</u>		<u>Service Description</u>	<u>Monthly Service Charges</u>

Schedule D – Special Customers

- (1) Temporary construction service to a parcel using the service line that will serve the building under construction. Customers in need of water service under this schedule must obtain a permit pursuant to Rule 15.5 and are subject to the conditions of that rule. The monthly service charges shall be those specified in Schedules A, B, or C above.
- (2) Temporary off-site construction or other use requiring a connection to a fire hydrant. Customers in need of water service under this schedule must obtain a permit pursuant to Rule 15.5 and are subject to the conditions of that rule. The monthly service charges include customer charge and meter charge. Usage charges are assessed upon return of the meter or when the meter is presented to the Utility for a meter reading. Service charges are specified below.
